

## Laundry Instructions

Please inform Norma ([nlarocque@promiseearlyeducation.org](mailto:nlarocque@promiseearlyeducation.org)) when detergent is ½ empty.

### **WASHING MACHINE**

**Step 1:** Shake out sand and other debris from laundry before washing.

**Step 2:** Use 1 tablespoon of detergent or 1 pod.

**Step 3:** Ensure you do not overload the washing machine with clothing, blanket, etc.

**When washing **weighted blankets** – only 1 blanket may be washed at a time and do not include any other items.**

**Step 4:** Leave washing machine door ajar and detergent drawer open after removing wet laundry.

Washing machines need to be cleaned every 2 weeks using Tide washing machine packet. Alert Norma when more packets are needed.

### **Dryer**

**Do not place weighted blankets in dryer. Air dry only.**

**Ensure dryer is not running when you leave for the day.**

**Place all clean laundry in a basket.**

*Thank you for cleaning up after yourself and keeping this area clean and safe for everyone!*
